

Donate Your Cell Phone Here

Special Olympics Minnesota has partnered with the 911 Cell Phone Bank for dual purpose... to help raise funds for Special Olympics Minnesota and to provide emergency communications to seniors and victims of abuse in the community.

Turn your old or unwanted cell phone in at any Northland 300 event (www.northland300.org) or contact Lisa Hagens at 612-604-1252 or hagensl@somn.org.

Your donation will help provide sports training and competition for children and adults with intellectual disabilities.

"Let me win. But if I cannot Win, Let me be brave in the attempt."
