

Ely Winter Festival: Twin Metals Minnesota Open House

Saturday, Feb. 2, 2013
11 a.m. - 2 p.m.

Bring your inquisitive nature in from the cold and warm up with hot chocolate, coffee and cookies at Twin Metals Minnesota. While thawing out in our facilities, geologists of all ages can study unique core samples taken from more than 3,000 feet below the surface. Come view some of the vibrant minerals located within the various rock formations deep in the heart of the Iron Range. Children's activity books and giveaways will be available.
