

## REMEMBERING KEVIN DEVAAN

A special portion of the Northland 300's Banquet was set aside to remember one of their snowmobilers who had recently passed away. Kevin DeVaun participated in the Northland 300 for 5 years and was registered and ready to snowmobile in the 25th Anniversary when he passed away suddenly in December, 2012.

Kevin's wife, Connie and his son, Brady were guests at the Banquet to accept a plaque in remembrance of Kevin and to present a check from the Kevin DeVaun Memorial Fund. The check was presented to Steven and Patsy Eull of the Flames. These funds are intended to increase the membership on the Flames Team. Kevin met Steven Eil, an athlete with

Special Olympics Minnesota who participates in the Northland 300 several years ago and was impressed with his skills and his charming personality.

Dominic DeVaun, Kevin's brother, rode Kevin's snowmobile in the Northland 300 and delivered a speech depicting Kevin's long lasting interest and involvement in Special Olympics and helping those with special needs.

Yellow ribbons were worn to memorialize Kevin's riding not the Yellow Team of the Northland 300. He will be missed by all.
