

Marc Williams, Northland 300 Participant

Marc Williams, receives FAA Civil Servant Award

Marc Williams

Airway Transportation System Specialist Environmental Technician
Federal Aviation Administration

Marc Williams is an environmental technician at the Minneapolis ARTCC in Farmington and also known as the “Money Man” to the Minnesota Special Olympics. Marc has been actively involved in the Northland 300 Snowmobile Ride fundraiser for the Special Olympics since 1989. For that 1989 ride the required donation was \$300.00. By contacting friends and family Marc came in with \$1542.00 and that was just the beginning. They adopted him as the Trail Leader after that. Over the years his bond with the Special Olympics has strengthened. Marc has served on the board of directors and has held every position associated with the ride. Additionally, he has helped athletes run the Special Olympic Flame of Hope. He’s been involved with the Minnesota Winter and Summer games and has raised over \$100,000.00 for the Minnesota Special Olympics.
