

Northland 300 ride comes to Tower

Weather conditions may or may not produce enough snow to ride the trails from Two Harbors to Fortune Bay Casino, but it won't stop the adventure Jan. 26-28. Snowmobilers will trailer their sleds to their destination and continue their journey where they find snow.

Northland 300 snowmobilers have raised over \$3.4 Million for Special Olympics Minnesota since its first year event. Join in the Opening Ceremonies at Superior Shores Lodge in Two Har-

bors, MN on Thursday, January 26, 2012 at 8 a.m. where the Northland 300 will kick off its 24th annual ride. Athletes from the Two Harbors area will be present to light the Special Olympics "Flame of Hope" for the first time in 2012. The Two Harbors American Legion Color Guard will be in attendance to support the event for the 24th year. Learn more about the Northland 300 and year-round events at www.northland300.org.
