

Northland 300 participants gathered at the Grand Ely Lodge last Friday to mark the 25th anniversary of the event. The Northland 300 is a 300-mile, three-day, charity snowmobile ride, made up of volunteer participants who raise funds to support Special Olympics Minnesota. Since 1989, Northland 300 snowmobilers have helped increase participation in Special Olympics Minnesota from 3,500 to more than 7,100 individuals. Photo by K. Vandervort
